TRUST FUNDS RECEIVED DURING 1919.

Deed No. 26, Fund No. 30.

Mar. 19, 1919.

Dear Mr. Tilton:—

Enclose check for two hundred dollars which was willed to the Town of Tilton for a trust fund by the Late David T. W. Clark. You will also find copy of clause as given in will.

Yours very truly,
"ELMER R. GALE"
"T"

Copy of clause in David T. W. Clark's will describing gift to Town of Tilton for care of Cemetery Lot.

"I give and bequeath to the Town of Tilton in trust the sum of two hundred dollars the income to be used in the care of the Clark lot in the "Danforth" Cemetery, so-called said lot to be kept clear of bushes and weeds the monument and stones kept clean, the lot lawn mowed as needed, and any surplus of said income may be used in other parts of said Cemetery meaning more particularly the westerly end of said grounds."

Deed No. 27, Fund No. 31.

Copy of clause in the will of Mrs. O. T. Batchelder creating a Trust Fund, the income from which is to be expended for the care of her lot in Park Cemetery:

August 5th, 1919.

"Fifth—I give and bequeath to the Town of Tilton, Belknap County, State of New Hampshire, the sum of one hundred dollars for care of Lot No. 66 in Park Cemetery which I own, and no part of said Lot to be sold, and to allow only my body to be buried with the body of my late husband in said Lot".

Deed No. 28, Fund No. 32.

The following is a copy of the deed of trust given by Mrs. Cora E. Taylor of Laconia, New Hampshire in behalf of the heirs of the late Lovina A. Moore:

"Know all men by these presents that I, Cora E. Taylor, of the City of Laconia, County of Belknap and State of New Hampshire, for and in behalf of the heirs of the late Lovina A. Moore do hereby give and convey to the Town of Tilton in the County of Belknap and State of New Hampshire, the sum of One Hundrer Dollars ($100) to be held in trust by said Town of Tilton forever; and we hereby stipulate that the interest therefrom shall be used as follows: For the care of the lot or share of the late Lovina A. Moore and Arthur G. Moore in Park Cemetery in said Tilton.

"Dated at Laconia this 30th day of January, A. D., 1920.

"Signed (Cora E. Taylor)"

Respectfully submitted,

WALTER C. WYATT,
WILLIAM H. MOSES,
CHARLES E. TILTON,

Trustees of Trust Funds for the
Town of Tilton.

Tilton, N. H., Feb. 14, 1920.

Having examined the accounts of the Selectmen, Town Treasurer and the Treasurer of the Trustees of the Trust Funds of the Town of Tilton I find them correctly cast and properly vouched.

HALL MEMORIAL LIBRARY BUILDING.

REPORT OF TRUSTEES.

The Trustees of the Hall Memorial Library Building join with all other citizens of Tilton and Northfield in expressing gratitude to Mrs. Mary Hall Cummings, donor of the library building, for other manifestations of her regard for, and generosity to, the towns during the past year.

In the summer she sent a bronze tablet which is placed in the vestibule of the building and bears the names of Dr. Hall and his immediate male ancestry.

About the same time a communication was received from her, of which the following is a copy, accompanied with the bond mentioned therein:

"To the trustees of the Hall Memorial Library Building, Tilton, N. H.

"Gentlemen:

"I hand you herewith $1,000. U. S. Government bond to hold the same in trust, and, at its maturity, to safely invest and reinvest the proceeds forever, and to use the income of said sum for the care and maintenance of the Hall Memorial Library Building and library contained therein.

"This gift is made in memory of my late husband, Dr. Adino Brackett Hall, and as a token of my own appreciation of the spirit manifested by the citizens of Tilton and Northfield toward the Public Library during the last thirty-two years.

MARY P. C. CUMMINGS.

Witness—H. P. HENDERSON,
MABEL C. HENDERSON.

Woburn, July 29, 1919."

During the month of December, Mrs. Cummings presented an excellent oil portrait of herself, which is placed at the side of the portrait of Dr. Hall, in the main room of the Library.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Boards and Citizens of the School Districts of Tilton Union, Tilton Town, and Northfield.

The common interests which these three districts have make it convenient and perhaps desirable for me to submit a report in this form. A thoughtful citizen of Northfield recently said to me that in his opinion the educational interests of the whole community would be better served if these three districts were united into one school district. Was he right? I pass this query on to you.

The recent school legislation which became fully effective September 1, 1919, is of such far reaching importance and will have such a bearing on the future management and conduct of the schools that it seems fitting that certain features of it should be noted in this report. This law created a state board of education of five members, in addition to the governor as member ex officio. This board is granted the same powers of management, supervision and direction over all public schools in this state as the directors of the ordinary business corporation have over the business of the corporation, except as its duties and powers may be limited by law. Among other duties the state board was directed to combine the several school districts of the state into supervisory unions and upon the nomination by the local school boards of each supervisory union of a suitable and competent person to employ such person as superintendent. Our union is officially known as Tilton Union No. 59. In addition to the three local districts it includes Belmont and Gilford. In all there are thirty-three public school teachers at work in this union. Because of its relations with the Tilton districts Tilton Seminary is also a part of the union.

The law makes it obligatory upon local school boards to maintain standard elementary schools, and defines a standard school as one (1) maintained at least thirty-six

weeks in each year, (2) in a suitable building, (3) equipped with approved furniture, books, maps and other necessary appliances, (4) taught by an approved teacher, (5) directed and supervised by an approved superintendent, (6) with suitable care for the health and physical welfare of all the pupils.

The minimum amount of school money required by law is the amount produced by a tax of $3 50 on a thousand dollars of the inventory. In order that the maintenance of the schools as required may not be too great a financial burden it is provided that in any district in which the money produced by a tax of five dollars on a thousand dollars of the inventory is insufficient to maintain the required elementary and special schools, and to provide the necessary text-books, scholars' supplies, flags and appurtenances, the state board shall furnish the balance of the money necessary from money appropriated for that purpose by the provisions of the act. At the last school meeting Northfield qualified as a state aided district. The amount of money raised at that time will not be sufficient to complete this school year. The state will furnish the balance necessary.

I would call attention to the fact that the fiscal year ends August 31. The money raised at the coming school meetings is for the school year beginning September 1 next and is not available until that time. The several school boards have reported in accordance with the law the probable needs for another year. Unless the school meeting shall see fit to alter these estimates the selectmen will assess these amounts as reported.

The nation wide shortage of teachers has become a real and growing menace. There seems to be no prospect of immediate relief. There is, however, hope for the future in that the general public has become aroused to the seriousness of the situation and is ready to give to the teacher substantial recognition of the value of her services. If we are to continue to have the fine type of teacher in our schools we must be prepared to offer adequate and reasonable compensation.

The contracts which Tilton Union and Tilton Town districts have with Tilton Seminary will need to be renewed this spring. I am sure that it is the settled policy of the districts to furnish full secondary school privileges to the boys and girls and that there will be no question about the renewal of the contracts, even though the cost per pupil may be increased.

Northfield.

Five schools have been in session since the beginning of the year in September. We were delayed in opening the Rand school because of failure to secure a teacher. Finally Miss Edith Stevens consented to substitute for the fall term. Miss Jessie O. Hall of West Lebanon was secured for the remainder of the year. Had there not been those in the community who were qualified to teach and were willing to make a personal sacrifice we might have found ourselves with closed schools. The following is the list of teachers:

School	Teacher	Salary per week
Oak Hill	Miss Iva Colby	$11 00
Center	Mrs. Norma M. Fifield	15 00
Bean Hill	Mrs. Lillian Greene	14 00
Rand	Miss Jessie O. Hall	16 66
Tibbetts	Mrs. Gertrude Stevens	16 66

I wish to commend the teachers for their fine spirit, their manifest loyalty, and their willingness to cooperate. There is much that can be done to improve the school room work. I think that a beginning has been made.

The school census taken in September showed 86 children of the district between the ages of five and sixteen. October 1 our enrolment in the schools was 74 and there were nine children in attendance at Franklin. Our present enrolment is 65. The largest school is at Oak Hill. The attendance in some of the schools has been very good. In others it has not been satisfactory. For several reasons the attendance at Oak Hill has been poor. Irregular attendance does not tend to make a good school.

There are ten children from this district attending Tilton Seminary. The district pays for each pupil a tuition charge of $55 per year. This does not include the use of text-books, cost of supplies, and various other expenses. Would not the district like to offer to its children full secondary school privileges? This might be done by making a contract with the Seminary.

The state board of education has adopted certain regulations in regard to health and physical welfare of school children. In districts where medical inspection has not been adopted "there shall be employed, as the school

board may direct, a school nurse, who shall make not less than one annual examination of pupils, note and record their physical condition, together with diseases and defects, notify teachers and parents, and with the aid of teachers and superintendent labor to secure remedial treatment when necessary."

Herein is recognized the duty which the school has of watching the physical growth and development of the child and of safeguarding his health as far as possible. Nothing has been done so far to carry out this regulation of the state board. It is expected, however, that Miss Mary Davis, the efficient district nurse of Tilton and Northfield, will be able to make the examination as required in the spring.

A survey of the school buildings of the district shows that none of them meet the minimum requirements in all particulars. Sanitary toilets were built at the Center school and Oak Hill during the summer. These were attached to the building and are accessible only from the schoolroom as should be the arrangement. Similar toilets were put in at Bean Hill the year before. The toilet conditions at the Rand and Tibbetts schools are very bad and should not be tolerated longer. All the buildings are below the standard in the matter of lighting. Again the chief offender is the Tibbetts. This building is in no way satisfactory. Would it not be good policy to enlarge and remodel this building and put it into first-class shape? An acre more or less of the adjoining land should be purchased for a play ground and the building moved in a little from the road. I make this recommendation. I hope the school meeting may see fit to make a reasonable appropriation for this purpose.

Tilton Town.

Two of our tried teachers we were able to retain this year, Miss Genevra Houston at the Highlands and Miss Mina Pike at Lochmere. We are extremely fortunate in securing Miss Una Kimball of Concord for No. Four. Miss Kimball has had considerable experience and is a fine type of teacher. Miss Hazel Sutton of Concord is the teacher at Sanborn Road.

The enrolment at No. Four in September was thirty-eight. In addition there were sixteen other children who

belonged in this school in attendance at the Union school in grades seven and eight. This means a large tuition bill but to provide for them at No. Four was out of the question. We are fortunate in being able to make provision for these upper grade pupils at the Union school. Recent removals have reduced the enrolment at No. Four to twenty-six and the enrolment of our pupils at the Union school to eleven. The enrolment at Lochmere this year is larger than usual. At the present time there are thirty-four pupils. Miss Pike continues to do her good work at this school. The enrolment both at Sanborn Road and Highlands continues small.

The school census which was taken in September showed 117 children in the district between the ages of five and sixteen. At that time there were 87 pupils enrolled and 17 in schools outside the district.

We have fourteen children from this district attending Tilton Seminary and two at Franklin high school.

There has long been need of new furniture at the No. Four school. I am glad to report that this building has now been equipped with adjustable seats and desks for the children. The interior of this building received a much needed coat of paint during the summer and the interior of the Highlands school was also freshened. Our buildings are all in reasonably good condition and repair but not one of them meets the requirement of the state board in the matter of lighting. The regulation is that most of the light shall come from the left and rear of the pupils and that the ratio of the lighting surface to the floor surface shall be one to five. In all our buildings the ratio is much lower than this. It would seem advisable that this defect be remedied in one of the buildings before another year. A special appropriation would be necessary for this purpose.

Our total expenditures to date this year have been about $2,950. We have a balance on hand of $2,200. This sum will not be sufficient to meet the expenses for the remainder of the year and it will be necessary to make a deficiency appropriation at the school meeting.

Tilton Union.

We are fortunate in that we have not suffered because of the shortage of teachers nor because of many changes

in our force. Miss Catherine M. Gile who had been a successful teacher in our fourth grade resigned at the close of the winter term. Mrs. L. A. Willis substituted very acceptably is this room during the spring. At the opening of the new year Miss Foss was transferred from grade three to grade four, Miss Bailey from grade five to grade three, and Miss Helen Thompson took charge of grade five. Miss Thompson has handled her work admirably. Miss Josephine Emery who gave us but two days of her time last year is now giving us three days. Since the first of November Miss Laura Wyatt has been working in grades one, two, and seven as assistant.

Interesting closing exercises were held on the afternoon of June 20 and certificates of graduation presented to the members of the eighth grade. The class numbered 31. Twenty-two from this class entered Tilton Seminary and two others entered other higher schools. This is the best record we have had for several years. There are in all fifty-one from this district at the Seminary.

Our enrolment shows no particular increase over last year. At the present time is 335. I have before called attention to the over-crowding in several of the rooms. It is of course impossible to do the best work under such conditions. Furthermore, it is impossible to develop the school as it should be developed because of lack of room. We need a kindergarten. The seventh and eighth grades ought to be organized as a junior high school. We need a well-lighted, properly-equipped room for manual training. There should be facilities for giving our upper grade girls a course in cooking. I believe it is time that we began to have a vision of an additional building which would make possible these improvements.

The work of Americanization in teaching English to non-English speaking adults and in furnishing instruction in the privileges, duties, and responsibilities of citizenship is declared by the new school law to be "an essential part of public school education". We have maintained this year an interesting evening school of about twenty pupils. The fine spirit which those who attend manifest and their willingness and eagerness to make a real personal sacrifice to be present are an inspiration to us all.

Our treasury shows a balance of approximately $4200. This amount will not be sufficient to meet the expenses for

the remainder of the year. Our expenditures will show a considerable increase over last year. A reasonable request on the part of the teachers was met by a substantial increase in salaries effective January 1. It will be necessary to make a deficiency appropriation at the school meeting in order that we may meet our obligations.

In conclusion I want to make an appeal for a more general attendance at school meetings. It may be complimentary to the school board and the superintendent to have but a half-dozen people out to a school meeting, but I have my doubts. I do not think it manifests a healthy interest. The schools do not belong to the school board nor to the superintendent. You, Mr. Citizen and Mrs. Citizen, have a vital interest in them. Why not find time to attend the school meeting? Is it not one of the duties of citizenship?

Respectfully submitted,

CHANNING T. SANBORN.
